

KHS Annual Fund Giving Form

We believe one of the greatest strengths of Kingwood High School is the active community in which we reside, one that embraces our vision and works to support and take part in the educational opportunities we offer our students. It is our firm belief that our success at Kingwood High School is contingent upon community involvement and community feedback. Recently, we worked to gather stakeholder feedback in a variety of areas.

The community's view on high priority needs include the following: technology infrastructure, research-based professional development opportunities for staff, as well as student activities that address the academic, social, and emotional well-being of all students. We are devoted to cultivating forward thinkers whose experiences at Kingwood High School help shape their futures. This is, however, increasingly difficult with budget shortfalls forcing educators to constantly "do more with less."

Since Kingwood High School opened its doors in 1979, the community has helped to shape its success. As a result of community support, Kingwood High School has developed a reputation of academic excellence. It is our hope that the community will join efforts to provide continued support of our students' education. We encourage you to visit the KHS Annual Fund web page by visiting the KHS homepage and clicking on "KHS Annual Fund" found on the left side of the page under Quick Links.

Please complete the information below in its entirety. Checks may be made out to the Humble ISD Education Foundation and you must write KHS Annual Fund on the memo line.
